

Samba

Palco Pro

Gloria Estefan

Oe, Oe, Oe, Oe
Arriba con la samba
Oe, Oe, Oe, Oe
Arriba con la samba

Everybody gather
'round now
Let your body feel the
heat
Don't you worry if you
can't dance
Let the music move
your feet
It's the rhythm of bahia
And like sugar cane so
sweet
If you want to do the
samba
You've got to listen to
the beat

Come on shake your

body baby
Do the samba
I know you can't
control yourself any
longer
Feel the rhythm of the
music getting stronger
Don't you fight it
Till you try it
Do the samba, beat

Feel the fire of desire
As you dance the night
away
'Cause tonight we're
gonna party
'Till we see the break
of day
Better get yourself
together
And hold on to what
you've got

Once the music hits
your system
There's no way you're
gonna stop, stop, stop

Come on shake your
body baby

Do the samba

I know you can't
control yourself any
longer

Feel the rhythm of the
music getting stronger

Don't you fight it

'Till you try it

Do the samba, beat

Come on shake your
body baby

Do the samba

I know you can't
control yourself any
longer

Feel the rhythm of the
music getting stronger

Don't you fight it

'Till you try it

Do the samba, beat

Oe, Oe, Oe, Oe

Arriba con la samba

Oe, Oe, Oe, Oe

Arriba con la samba

Come on shake your
body baby

Do the samba

I know you can't
control yourself any
longer

Feel the rhythm of the
music getting stronger

Don't you fight it

'Till you try it

Do the samba, beat
